**Life On
Life's Terms**

Take life on life's terms - one
day at a time. And have fun
while you're doing it.

Joe Perry

We are not given
a good life or a bad
life. We are given a life.
It's up to us to make
it good or bad.

A broken padlock hangs from a chain against a background of sand. The padlock is split vertically down the middle, with the two halves separated. The chain is dark and appears to be made of metal links. The sand is a warm, golden-brown color with some darker spots. The text is overlaid on the image in a white, bold, sans-serif font with a slight drop shadow.

Life's under
no obligation
to give us
what we
expect

**What
screws
us up most
in life
is the picture
in our head
of how it's
supposed
to be.**

The 3 C's in life:
Choice, Chance,
Change.

You must make the
Choice, to take the
Chance, if you want
anything in life to
Change.

A woman in a blue dress is walking away from the camera on a vast, flat, sandy landscape. The sky is filled with soft, colorful clouds, suggesting a sunset or sunrise. The woman's shadow is cast long and dark on the sand in front of her. The overall mood is contemplative and serene.

**Life is not an
exact science,
it is an art.**

A close-up photograph of several vibrant red leaves, likely from a maple tree, set against a dark, almost black background. The leaves are in the upper right corner, with their stems extending towards the top right. The lighting highlights the texture and color of the leaves.

**Life isn't about finding
yourself. Life is about
creating yourself.**

George Bernard Shaw

A photograph of a long, straight path lined with large, mature trees with dense green foliage. The path leads from the foreground into the distance, where it appears to curve slightly. The lighting is bright, suggesting a sunny day, and the overall color palette is dominated by various shades of green.

Life is a sum of
all your choices

LIFE IS SIMPLE.
ITS JUST PEOPLE
WHO MAKE IT
COMPLICATED.

**YOU MAY NOT BE
ABLE TO CONTROL
EVERY SITUATION
AND ITS OUTCOME,
BUT YOU CAN
CONTROL YOUR
ATTITUDE AND HOW
YOU DEAL WITH IT.**

IF YOU
EVER FIND
YOURSELF
IN THE
WRONG STORY,

LEAVE.

-M O WILLIAMS

The meaning of life is
to live a meaningful life.

Bill Phillips

A meaningful life is not being rich, being popular, being highly educated or being perfect. It is about being real, being humble, being able to share ourselves and touch the lives of others. It is only then that we could have a full, happy and contented life.

"Peace is the result of retraining your mind to process life as it is, rather than as you think it should be."

-Wayne W. Dyer

The best
thing you
can do for
yourself
is to invest
in the
one thing
that really
matters —

you.

Life is much better
when you are living
in the present
moment.
